Contesting justice with robots

Perhaps the human being is a biological machine. But ethics casts fundamental doubt on the dominant current practice that it is just to equate with the proliferation of machines since the rise of mechanization.

Mogobe Ramose

Mogobe Ramose is Professor of Philosophy at Sefako Makgatho Health Sciences University, South Africa, and emeritus Professor Extraordinarius in Philosophy at the University of South Africa and Professor of Philosophy at the University of Limpopo, Sovenga, South Africa, and member of the Department of Jurisprudence in the Faculty of Law,
